Description

Chalkboard pavement sign with slot-in blackboard panels

This chalkboard pavement sign has reversible panels that slot into a wooden wood A-Frame – ideal for when you have a lunchtime and evening menu or event. This A Board is excellent value being half the price of similar premium slot-in wooden A-Boards. Made from sustainably sourced wood its extra durable when used outdoors too.

- Wood A-Frame construction.
- Slide-in metal panels with blackboard coating.
- Use either liquid chalk pens or traditional chalk sticks.
- In Stock with fast next-day delivery options.
- Treated timber for longer-lasting outdoors.

Indoor and Outdoor versions are available please see the product code description.

Due to being a natural wood product the colour and grain pattern can vary slightly from the pictures.
