Modern classic white floor stand sign A3

The cool, clean design of the Presenta White floor stand sign makes it an elegant addition to your salon, clinic, or gallery.

How to use your floor stand sign

This floor sign is intended for indoor use. Short-term outdoor use or placement under a canopy or porch is possible. The snap frame includes a clear cover sheet to protect your printed sign or menu from dust and finger marks, but it will not protect paper prints against rain. The sign stand is portable and can be moved easily. The circular metal base and stand are stable and suitable for busy locations. The single, gently curved leg and textured white colour add a touch of style to set off your printed media perfectly. It is available with an A3 poster snap frame.
