Description

A1 Black pavement sign

Pavement signs are always popular for advertising stores, goods, services and promotions. This A1 black pavement sign includes a range of excellent features designed to make showing off your sign easy:

- **Sturdy:** our A1 pavement sign is designed to withstand the rigours of busy, open areas
- **Stable:** fill the base with water or sand to provide stability
- **Windproof:** designed with springs connected to the base to deflect wind
- **Movable:** the base incorporates wheels so you can easily set your sign in place
- **Easy poster changes:** A1 snap frames make changing your posters and signs quick and easy
- **Poster protectors included:** note that you will need to print your signs to water-resistant material if you want to ensure waterproofing
- **Classic design:** sleek black design makes your signs and posters stand out

Our A1 black pavement sign is an excellent investment if you need a sturdy sign that can cope with areas that are open to the elements or in a busy footfall location. For severe exposure situations or when a fully waterproof frame is required, you may also wish to consider our higher-specification [WindPro](#) and [Windcheater](#) models.

More Information	A1 water base pavement sign <ul style="list-style-type: none">• Protective cover sheets included - but unlike the frames on our higher-spec pavement signs, they are not guaranteed to completely waterproof your prints. We recommend posters printed onto water-resistant material.• The base must be filled with water or sand to stabilise the outdoor pavement sign.
